## History

NAH Whanau Limited was established in 2022.

It incorporates Nuds Bar, which was established in Western Australia in 2011 and Na8iv Kai which is now the catering side of the business.

We are one of a kind hospitality service. We provide everything for your function. The bars, glassware, mixes, ice, staff and music. It is just like having your own bar/pub in your back yard.

Our services include cocktail and bar services for private parties such as bucks, hen's parties, birthday's cocktail parties, weddings and engagement parties. We can also provide cocktail and bar training to bartending services for corporate and promotional events.

Nuds has been involved in the hospitality industry for over 20 years. During this time he has done security, managed nightclubs, bars, café/restaurants and bottle shops.

He has enjoyed organising functions and parties while also hosting birthdays, engagement parties, Christmas parties and various other parties at his home.

Originally starting out as being a hobby, Nuds took the next step and started his own business doing what he loves and does best.

Our aim is to provide you with a hassle and stress free time for you and your guests and an event that everyone will remember. We invite you to explore our site and discover how Nuds Bar can assist you with your special occasion!

We would like to take this opportunity to thank you for considering us to cater your event, and all we ask is that you sit back and relax and everything will be **Sweet As!**
